## Hippocratic Wisdom Petersen William F Thomas

**the william f. petersen foundation - springer** - lincoln-douglas, the weather as destiny (1945), hippocratic wisdom (1946), and man- weather-sun (1947)tersen's investigations demonstrated that man was not free and independent of his external environment. **anatomy of a global epidemic - psykosocialrehabilitating** - the hippocratic oath in order for a treatment to do no harm, ... william carpenter's in-house nimh study, 1977 results • those treated without drugs were discharged sooner than drug-treated patients in a comparison group. • at the end of one year, only 35 percent of the non-medicated group relapsed within a year after discharge, versus 45% of the medicated group. • the unmedicated ...
